## Driving Instructions: Details

If you arrive on the motorway **A3** (Frankfurt-Regensburg), turn onto motorway **A9** heading south toward **München**.

If you arrive on the **A6** (Heilbronn-Amberg), turn north onto the **A9** heading toward **Berlin**.

Leave the motorway **A9** at the exit marked **Fischbach**.

Follow the **B4 (Regensburger Straße)** to Nürnberg.

Stay on that road and enter the Nürnberg city limits after approx. 5 km.

You will notice the sign to the **Hilton Hotel** after the fourth set of lights, on your right, but keep going straight ahead on Regensburger Straße. You will pass three gas stations and the **OBI shopping center** on your left.

Right after **OBI**, turn right at the third set of lights, onto **Ben-Gurion-Ring (B4R)**.

Ben-Gurion-Ring is the first road with two lanes in each direction. It is called Ben-Gurion-Ring at that point, but changes names several times.

After the second set of lights (counting lights at the pedestrian crossing), the name eventually changes to **Passauer Straße**.

Our office is on the **right hand side**, just a few buildings before the next set of lights.
