

<b>Transfer of Paper Prices</b>
---------------------------------

Field No.	Description	A/N	Length (Bytes)	Offset	Remarks
1	<i>Paper Code</i>	N	10	0	
2	<i>Price per Ton</i>	N	5	10	Unit according to installation parameters

**Comments**

After receiving every record from file, PC-Topp.NET will automatically adapt the board grade prices and update the prices in related records in the paper definitions.

This procedure is independent from settings about calculation of quality prices that are specified in the installation parameters.
